

Young Inspectors Evaluation and Scoring Guidance

Each Standard will be scored 1-3 as below:		
	Scoring	Rationale
1	Does not meet all requirements. BRONZE	Meets basic level of inspection requirements but lacks evidence/detail in some/all areas and inspection will recommend a number of development suggestions
2	Meets requirements. SILVER	Meets basic level of inspection requirements and largely includes supporting evidence/detail and inspection may only recommend small development suggestions
3	Exceeds basic requirements. GOLD	Meets all inspection requirements. High level of evidence supplied. No development suggestions

Inspection Guidance

No half scores are allowed

All Young Inspectors to score individually and make notes explaining their score

Young Inspectors to meet collectively after all have scored individually and need to agree on each standard score. Each YI to explain rationale **IF** they amend **THEIR** score

After each standard has been scored and moderated individually then calculate an overall Mean Inspection score (add all scores and divide by number of Standards) for the organisation and if necessary follow the guidance on moderation as above
