The circumstances as to why the PAR match was made			
<p><i>Points to explore:</i></p> <p><i>The circumstances in the MHMP as to the child and why the child needed a new home</i></p> <p><i>What searches had been undertaken prior to PAR – why were there no other options, what were the barriers.</i></p> <p><i>The matching process that occurred to the PAR carer</i></p>			
How did the PAR match progress throughout the 28 day period?			
<p><i>How did the child present, were there any risk behaviours?</i></p> <p><i>How did the carer manage the needs of the child?</i></p> <p><i>Any wider impact on other children in the home?</i></p> <p><i>What support was provided and was this adequate to support the carer to meet the child's needs? Consider referrals made to SCAYT and Outreach and the timescales of support being implemented.</i></p> <p><i>What impact did the PAR have, what did we enable in terms of the child's care plan, what would have likely happened if we did not offer PAR</i></p> <p><i>If the PAR was extended for any reason, why was this and what was the impact?</i></p>
